ISSUE 4 TERM 1 WEEK 10

Dear Parents and Carers,
I hope you all had a very relaxing Easter break last weekend. It's a little hard to believe that we are in Week 10, with this term going very quickly. It has been very pleasing to see the students so very settled now into their classes, with teachers well and truly into implementing their teaching and learning programs.

Easter Hat Parade

Unfortunately, I was at a meeting last Thursday with Principal colleagues and was unable to attend what was by all the reports I've been provided, a wonderful day celebrating Harmony Day and our Easter Hat Parade. It was a huge success from the photos I've seen with students dressed in orange for Harmony Day and plenty of excitement in the students' faces as they paraded around the hall area.

Thank you to

- all who donated Easter eggs to support the raffle,
- all who purchased raffle tickets,
- the P & C for organising the raffle and prizes,
- Mrs Corney and Mr Hockey for organising the parade,
- the Easter Bunny for the surprise visit
- Miss Menne and parent helpers for organising the BBQ sausage sizzle,
- and to all who participated in our parade.

Week 11 Teacher stage planning week.

In the last week of this term our teaching staff will be engaging in stage based planning days to professionally discuss the teaching and learning programs to be implemented in Term 2. This is a very important professional development opportunity for our staff to take the time to sit and discuss strategies to support and assist individual students and groups of students within their stage of learning. Staff are able to utilise the teaching expertise from within their stage to improve their understanding of consistent, quality teaching practice. Our wonderful support teachers will be assisting to cover classes as much as possible, so a familiar face is present in the classroom. Learning programs will continue as class teachers will be leaving work for students to continue with.

P & C Meeting

There will be a P & C meeting this evening, 4th March at 7.00pm in our library. These meetings are a great opportunity to have input into school programs and initiatives. All parents and carers are welcome to be involved in these meetings. Tonight we will be discussing the 150th Anniversary of our school and the events that could take place together with discussing the organisation of the celebrations.

CALENDAR

TERM 1

WEEK 10

Wednesday, April 4
